THE VENUE – SUTTER CREEK, CA

Story has it, around 1847, the town of Sutter Creek found it's humble beginnings as a single tent for miners to use on rainy Sundays when they could not get to Jackson or Drytown.

By the mid-1850's, Sutter Creek had become a bona-fide mining town with some of the richest "deep rock" mines in the Mother Lode.

In 1942, by Executive order, the mining operations were shut down. Shortly afterwards, Sutter Creek focused on tourism, retaining its Gold Rush roots and Old West charm

Today, Sutter Creek, the Jewel of the Mother Lode, boast a wide range of visitor amenities with its unmistakable Gold Rush character.

Coming up early to the Classic Corvair Spring Fling will afford you the time to visit this charming town and discover the appeal of historic streets and shops. Check out places like the *Sutter Creek Ice Cream Emporium* where your sweet tooth will surely be satisfied. If a little wine and cheese is more your thing, then try the *Sutter Creek Cheese Shoppe* to wind down after your travel to the Classic Corvairs of River City - 2017 Corvair Spring Fling.
