# From the Front Seat

by Bill Scherer

Hello All,

I hope you all had a chance to take advantage of the unexpected warm weather we have had this past week. I just hope Mother Nature doesn't decide to make us pay for this later.

Well the 47<sup>th</sup> anniversary dinner party went off beautifully. It always amazes me how fast the time goes by when you're in the company of good friends. I'd like to thank everyone who attended, Walt for taking care of the mailings, and a big thank you goes to Joey and staff from Albanese's, for not only providing us the room for our party but for providing another great meal.

Next up on the club's schedule is 3pm this Sunday, the sweets auction. I hate to bring up the fact that this is the club's only source of income (so just pretend that you didn't read that). So bring anything sweet (Andy R. your Buckeyes are always welcome) crafts, and car stuff (but keep the grease down to a minimum).

Well that's all I have for now, oh wait one more thing, please get your club renewal form into Patrick, it would be greatly appreciated. Have a great rest of your week and I'll see you Sunday.

Bill

### **Advice from an Old Farmer**

In as much as I spent my favorite years growing up on a small farm near Waterford, WI. I felt that the following set of statements are as true today as they were when written years ago!

- Your fences need to be horse-high, pig-tight, and bull-strong
- Keep skunks and bankers at a distance
- Life is simpler when you plow around the stump
- A bumble bee is considerably faster than a John Deere tractor
- Words that soak into your ears are whispered.....not yelled
- Forgive your enemies, it messes up their heads
- It doesn't take a big person to carry a grudge
- You cannot unsay a cruel word
- Every path has a few puddles
- When you wallow with the pigs, expect to get dirty
- The best sermons are lived, not preached
- Most of the stuff people worry about ain't never gonna happen anyway
- Don't judge folks by their relatives
- Remember that silence is sometimes the best answer
- Live a good, honorable life.....then when you get older and think back, you'll enjoy it a second time
